MEMBERSHIP DUES

Membership dues are paid semi-annually and are based on the total number of new vehicle sales during the previous calendar year. CNCDA calculates member dues based on information provided by Cross Sell. Dealers not in business a full year should estimate their annual new car sales volume.

- 0 – 249 \$250
- 250 – 499 \$325
- 500 – 749 \$425
- 750 – 999 \$575
- 1000+ \$750
- Multi-Point \$150/additional dealership

If you presently own two or more dealerships in California you will benefit from a reduction of dues by joining all your dealerships in a Multi-Point Program, in which you pay full membership dues for the largest sales volume dealership and only \$150 for each additional dealership regardless of size.
